- English: Intermediate

PROFILE SUMMARY

Dedicated and innovative **UI/UX Designer** with **3 years** of experience in designing user-centric, intuitive, and visually compelling digital interfaces. Skilled in creating seamless user experiences for web and mobile applications using tools like **Figma**, **Adobe XD**, and **Sketch**. Proficient in conducting user research, usability testing, and feedback analysis to drive informed design decisions.

WORK EXPERIENCE

DesFlyer

2023- 2025

Senior UI/UX Designer

- Leading **UI/UX design** for digital products, focusing on user research, wireframing, prototyping, and usability testing. Collaborating with developers, optimizing user flows, and mentoring interns while enhancing branding and digital experiences using **Figma** and Adobe XD.

Intern IQ

2023-2024

UI/UX Designer

- As a **UI/UX Designer** at InternIQ, I was responsible for designing intuitive and engaging digital experiences. My role involved conducting user research, wireframing, prototyping, and usability testing to enhance product usability. I collaborated with developers and product managers to create seamless user interfaces using **Figma** and Adobe XD. I played a key role in optimizing user flows, interaction design, and visual aesthetics to improve user engagement. Additionally, I contributed to branding and digital marketing designs, ensuring consistency across platforms. My experience at InternIQ strengthened my skills in design thinking, user experience strategy, and front-end collaboration.

BasketHunt Private Limited

24/07/2023 - 26/09/2023

UI/UX Designer-Intern

- Designed user-centric interfaces by conducting user research, wireframing, prototyping, and usability testing. Collaborated with developers to enhance user experience and interaction design. Focused on branding, visual consistency, and digital experience optimization using **Figma**.
